

## BRINGING CATCH WAVE MINISTRY TO BUYENZ

After 3 hours of my prayers we travelled to the **BUYENZI** Quarter and preached the word of God, This area is the **MUSLIM** Quarter which have 99, 9% Muslim believers. Inside of this Quarter there is one church only, a Pentecostal church, because here in our country Pentecostalism is very big and there is a big house of prayers. In our country first is **CATHOLIC**, Second is the Pentecostal Church which has many projects so our Government respect them. That area being all Muslim has refused to planted any Churches in the area but now by the grace of God we have 15 persons who have received Salvation.

This man is 32 years old; he has 15 years of drinking alcohol and smoking marijuana (**Taking drugs, inhaling petrol, and taking tablet**). This has killed many peoples. We want to continue the way of **Mama Africa Joy** here in our country, this is **CATCH THE WAVE MINISTRY TEAM/BURUNDI**

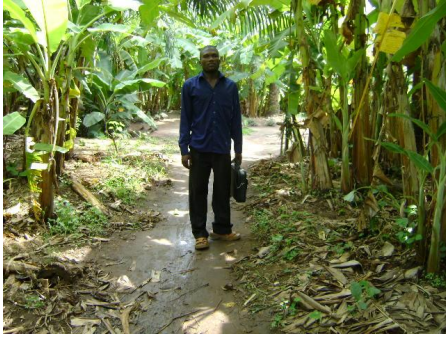

Our first Miracle was this man, who received us, listens to our conversation and after 2 hours of conversation has accepted Jesus-Christ as Savior. Glory to God!

This man has 10 years of taking **Drugs**, inhaling **Petrol**, but has also received Jesus as savior, by the grace of God this Sunday we will be together in the church.

## BRINGING CATCH WAVE MINISTRY TO BUBANZA

Preaching the word of God is our Mission. Yesterday I travelled to some Village of Bubanza preaching the word of God. It is 23 km from our city Cibitoke.

I thank God so much who protected me; this is the program of **CATCH THE WAVE MINISTRY/BURUNDI**. Thank so much Mama Africa Joy for your prayers and your Advancing for us. We will continue to preach the word of God to all nations.

We are preaching the Word of God to Muslim believers and making disciples. Our program of 2009 is to preach the word of God to 5,000 Muslim believers, and I thank so much God because many of them continue to receive Salvation, but how difficult it is. We have no tracts any materials, we have only one (**BIBLE**). Catch the Wave Ministry of Burundi are in need of materials for preaching the word of God.

This man has receive Jesus-Christ after our service of preaching at the Market, this man was a **RASTA MAN**, a drunken alcoholic and smoking marijuana, but by grace of God he was received Salvation.

Thank so much **Mama Africa Joy** for your prayers and your supporting of advancing the gospel. We believe we will continue with this program of preaching the word of God to all nations.
